

# QUALITY POLICY

## Our Mission

To provide quality and cost effective services to meet our civil construction, mining, earthmoving and haulage needs.

## Our Quality Philosophy

- We aim to fully understand and deliver outcomes consistent with our clients requirements
- We minimise our inaccuracies and look to continually improve our service standards in a cost effective manner
- We take responsibility for our actions and personal pride in our work
- We work as a team to meet the **OSTOJIC GROUP PTY LTD** goals and objectives

## Our Quality Objectives

We provide the right product and service at the right price on time.

We are committed to using our quality system's measurement, analysis and improvement tools to continually improve the effectiveness of our service delivery.
